Thomas Shotter Boys

Description

Thomas Shotter Boys (1803-1874)
Figures in a cornfield

Watercolour over traces of pencil heightened with scratching out
17.6 by 23.1 cm., 6 $\frac{3}{4}$ by 9 in.

This watercolour is likely to date from circa 1835 when Boys was in France. The influence of Bonington is evident in the style and subject matter.
